

Certificate of Partnership

Program Years 2006-2007

NYQUEST Training and Placement is proud to announce that **Camp Counselors USA** is the current exclusive recruiter for the Canadian Camp Experience Program (CCEP) in the United Kingdom, the Netherlands and Australia. CCEP is an educational cultural exchange program that helps young adult leaders travel to Canada to work at camps and other outdoor education organizations. The program provides Canadian camp directors with mature international staff and provides young adult participants with meaningful work experiences in community focused environments. NYQUEST and the **Camp Counselors USA** have developed a strong partnership in order to make this program available to young adult leaders in the United Kingdom, the Netherlands and Australia. The partnership is based on a commitment to providing the highest quality international camp recruitment and placement services and to a partnership based on trust, integrity and responsibility.
